

Guidelines for Practical Case Study Submission

Please, adopt the following outline for the submission of your Practical Case Study, making use of the word template provided at <https://triple-helix.co.za/full-paper-guidelines/> and already used for the abstract submission.

Suggested Lengths of the document: 5-6 pages, 2.500 words max.

Your edited Case study should be submitted through the submission portal, AbstractWiz, no later than 8 July 2019.

The Case submission will give you the opportunity to be included in the Conference Proceedings and in future THA and Conference publications.
